Mr. Raymond J. Ferraro
8158 Bay 16th Street
Brooklyn 14, New York

Dear Sir:

Some time ago you filed an application at this Chancery for acceptance as a Seminarian of this Diocese. Therefore, you will not be obliged to register here again on the formal registration days which are to be announced in "The Tablet" within the near future.

However, you should fill out and return to me without delay the enclosed information forms concerning:

1. Latin and Greek credits already acquired and to be acquired, by August 25th;
2. Preferred dates and hours for your medical examination between May 1st and July 15th, to be arranged by this Chancery;
3. Your addresses between May 1st and August 25th.

Please arrange now for your final scholastic transcript to be sent directly from your college to me within a few days after your final examination. A delay in this matter will cause a delay in the decision for the entire class of applicants for admission to our Diocesan Seminary.

When your transcript has been mailed to me, please telephone me at NEvins 8-5501 for an appointment to be made not later than June 20th. At that time you will be expected to submit directly, or by mail, sealed up-to-date letters of recommendation from your pastor and your present college authorities.

With best wishes, I remain

Sincerely yours,

VERY REV. MSGR. JOHN J. HENEGHAN
VICE - CHANCELLOR
