SUBJECTS: Phil J. Reis
Robert Gunter
Robert Gilbert

Dear Ron:

We received a phone call from your office concerning these three individuals. This phone call was received in March of 1987.

We wrote, in May, asking for more information concerning these individuals so we would know whether they could be placed in the confidential file and registration refused at a later time. So far we have had no response, to our knowledge.

I am enclosing Confidential Record Sheets which I would like to have completed on the individuals if they should be placed in the confidential file and not registered with the Boy Scouts of America. Please give us any other information which you have available since this will be most helpful to add to our file and will enable us to build a file which is strong enough for registration refusal.

Robert Gilbert is on our confidential file, at the present time, and has been since 1984. If there is more information which you have available which you feel would help us, please do not hesitate to send it for addition to the file.

The other two individuals are not on our file, at the present time, and we need all the information you have in order to complete the record.

Let us know if we may be of any help to you.

Sincerely,

Paul Ernst, Director

MEMO

TO: Registration and Subscription Service

FROM: Dennis P. Cook, Director of Field Service

SUBJECT: Meeting with Robert H. Gilbert, Scoutmaster Troop 593, St. Paul, Minnesota

DATE: October 12, 1984

PRESENT: Mr. Gilbert; Duncan Mackie, District Executive; Dennis Cook, Director of Field Service.

After visiting with the Head of the Sponsoring Institution, Mr. Mackie and I drove to Econ Labs research and development building and talked with Mr. Gilbert about his suspension from Scouting. Mr. Gilbert said he knew it was coming but had hoped to keep involved. Mr. Gilbert stated that his therapist and "reentry counselor" had both advised him to become active in Scouting after his therapy had begun. I explained to Mr. Gilbert that in cases such as his, our process for removal is quite clear and because we project positive role models for youth, that his offense made his involvement in Scouting impossible at this time.

I then gave Mr. Gilbert the letter from our Council President suspending his registration in Scouting. I also told Mr. Gilbert that if his therapist wanted to talk to us he should have him call.

Upon my request Mr. Gilbert then called his friend and asked her to bring the troop checkbook and church keys to Econ Labs to turn over to Mr. Mackie and me.

After Margaret Williams arrival, Mr. Mackie and I took the troop checkbook and keys and left.
